Dear Sir,-

I have herewith enclosed a petition I have received from the President Fisheries High School Committee, Bekal in South Kanara. The School Committee is very earnest in putting up the buildings for the Housing of the Govt. Fisheries High School at Bekal. The construction has already been commenced and the work is in progress. I am sure that the building will be completed before the end of May 1955. They really need the money requested for. Therefore, I request you to be kind enough to pass orders to refund the security amount of Rs 1200/- immediately so as to enable them to utilise the amount for the purpose of

P.T.O.

constructing the building. I wish this request will be complied with. Thanking you.

Yours faithfully

Sir,

Sub: Education - Fisheries - Fisheries High School at Bekal in S.Kanara - refund of security deposit of Rs.1200/- - orders prayed for.

Ref: G.O.No. Ms 17 dated 4-1-1955.

In the G.O. cited above, it was ordered that the security of Rs.1200/- furnished by us should be refunded only as and when we put up the free building for housing the school.

Now the Asst.Director of Fisheries, S.Kanara, Mangalore raises preliminary objections for refunding the security amount of Rs.1200/- on the ground that the free buildingshould be completed before refund can be made.

We therefore beg to place before you that we have already commenced the construction of the proposed building to be donated and in that direction finished the work of the foundation. The work of the superstructure is in progress. Moreover the windows, doors and ventilators etc., are prepared and kept ready. We are endeavouring our best and straining every nerve of ours to complete the building before 31-5-1955 i.e., before the commencement of the next academic year.

So we are very much in need of money for the specific purpose of raising the school building itself. Hence orders may kindly be passed to refund the security amount of Rs.1200/- furnished by us so as to enable us to

4

utilise the abovesaid amount for the very purpose of constructing the building. Otherwise for want of sufficient funds at the opportune time, we may be put to difficulties.

For which act of kindness I shall ever remain grateful.

In their order No.17 Agriculture dated 4-4-55 Government directed that the security deposit of Rs.1200/ furnished by the high School Committee should be refunded on as and when they put up free building for housing the School

In their petition dated 6-2-55 the High School Committee has applied to the Government that the deposit may be refunded to them in order to utilise the amount for completing the building, the work of which was commenced in the second week of January 1955. The Assistant Director of Fisheries, Mangalore reported that the Committee has already collected 14,000 laterite stones, that carpenters have been engaged in the installation of windows and doors and that the work has been started in right earnest. From the letter ofSri Meloth Narayana Nambiar, M.L.A. to Government it is seen that the Committee has alreadycompleted the foundation for the building and the superstructure is in progress. It is also stated that the whole building will be completed by May 1955. In view of the report of the Assistant Director of Fisheries, Mangalore and the assurance given by Sri Meloth Narayana Nambiar, M.L.A. I recommend that the security deposit of Rs.1,200/- may be ordered to be refunded to the High School Committee to enable them to utilise it for completing the construction of the High School building.

Sub: Education - Fisheries School at Bekal in S. Kanara Dt - Refund of security deposit to the Fisheries High School Committee - Proposals.

Ref 1. from Sri Meloth Narayanan Nambiar, M.L.A. Hr dt 18-3-55

From the Dir & C dr no 6504 XI/55-1 dated 13.4.55

1. In Gov Ms 2591 Dev dated 2.6.53, the Govt sanctioned the Conversion of the Fisheries Higher Elementary School at Bekal in South Kanara Dt into a Middle School w.e.f. the School year 1953, subject to the condition that the Fisheries High School Committee, Bekal should compensate the loss, if any, that may be caused to the Govt on account of the Conversion and also deposit into the Treasury a sum of Rs 1200/ as security thereof. The circumstances under which the School was converted is explained below -

2. The proposal for the conversion of the Bekal Higher Elementary School into a Middle School was first considered as a Part II Scheme for 1952-53. But as the S.F.C and Cabinet did not recommend the Scheme, the proposal was deferred. In August 1952, the fishermen of the locality submitted a memorandum to the Hon M(A) requesting for the conversion of the Bekal School into a Middle School. The proposal was considered again as a Part II Scheme for 1953-54. Again the S.F.C and Cabinet deferred the Scheme. Meanwhile the Fisheries High School Committee, at Bekal

submitted a petition to the then M(A) requesting for the conversion of the School into a Middle School w.e.f. 1.6.53. In their anxiety to elevate the status of the School, they even undertook to compensate any losses that may be incurred by the Govt on account of the conversion of the School. They were also prepared to furnish a deposit of Rs 1200/- as security thereof. In view of the eagerness displayed by the High School committee, the Govt sanctioned the conversion of the School into a Middle School w.e.f. June 1953, subject to the condition that the High School Committee compensates the loss if any, that may be caused to the Govt on account of the conversion of the School.

Para 2 and 5 ag (P)

3. The loss incurred during 1953-54 on account of the conversion of the School into a Middle School was ~~Rs.~~ Rs 1080. 2.3. As per orders of Govt, the Fisheries High School Committee Bekal will have to meet the loss incurred in running the Middle School. In July 1954, the Fisheries High School Committee, submitted a petition to the Govt requesting the waiver of the recovery of losses from and the refund of the security deposit. Hence for the following reasons:-

A and ag (P)

PP 5-6 ag (P)

A and bg (P)

i) in the past there are no instances of recovery of losses incurred by Govt in maintaining Schools.

ii) the Committee is poor in the financial aspect.

iii) the Committee has agreed to donate a free building for housing the High School at a cost of Rs 15000/-, the work which will be taken up shortly.

The DEO recommended the request of the High School Committee and requested the orders of Govt for waiver

A. B and 3g (P)

of the recovery of losses and for the refund of the security deposit of Rs 1200/- furnished by them. This Dept. and Finance supported the recommendation of the Dist. When the case was circulated for orders, M(F&S) minuted that the security deposit may be returned as and when the High School Committee put up the building. Accordingly in G.O. Ms. 17, Agri dated 4.1.55, the Govt ordered the waiver of the recovery of losses from the High School Committee, but directed that the security deposit of Rs 1200/- furnished by them should be refunded only as and when they put up the free building for housing the School.

4. The High School Committee has now requested the Govt that the deposit may be refunded to them in order to utilise the amount for completing the building, the work of which was commenced in the second week of January 1955 (vide PP 3.4 cf). Sri Meloth Narayanan Nambiar, M.L.A., S. Kanara Dt has also written a letter to Govt stating that the Committee has already commenced the construction work, and they are really in need of money to complete the work before the end of May 1955. (vide PP 1.2 cf). The Dist which was consulted in the matter has recommended the request of the High School Committee and requested that the security deposit of Rs 1,200/- may be ordered to be refunded to the High School Committee to enable them to utilize it for completing the construction
